

United States Senate

WASHINGTON, DC 20510

December 11, 2021

The Honorable Joseph R. Biden, Jr.
President of the United States
1600 Pennsylvania Avenue
Washington, D.C. 20500-0001

Dear President Biden,

Last night and early this morning devastating storms swept across multiple states, including Kentucky. A single tornado from that system may have been on the ground for over 200 miles, and a large swath of the Commonwealth has been severely hit. As the sun comes up this morning we will begin to understand the true scope of the devastation, but we already know of loss of life and severe property damage.

The Governor of the Commonwealth has requested federal assistance this morning, and certainly further requests will be coming as the situation is assessed. I fully support those requests and ask that you move expeditiously to approve the appropriate resources for our state.

Sincerely,

Rand Paul, M.D.
United States Senator
